Question & Answers

Time is allotted in the schedule for a "Question & Answer" period. This is designed to address problems that may plague present operators but may have already been solved by a fellow operator. Operators, let's make this a meaningful segment for our meeting! Briefly describe a woodyard problem that you deal with and we will see if someone has a solution for you:

Speakers

MOTAG encourages both vendors and mill personnel to submit papers and discussion topics for our meeting. If you have an idea for a topic please contact

Sam Caldwell - Sun-Machinery.

MOTAG

The Millyard Operating Technical Advancement Group, commonly known as MOTAG is a subcommittee of the Fiber Raw Materials Supply Committee in the Pulping Division of TAPPI. It was formed in April 1973, at the Airport Holiday Inn in Atlanta, Georgia..

The objective of our meeting was and still is to provide a conduit for communications between the fiber industry, vendors, and consultants, to hear and discuss prepared presentations covering mill woodyard design and operational problems.

This meeting continues to be a not for profit event, run by volunteers with all proceeds from this event going to our scholarship fund.

1. Neither TAPPI nor any committee, Section or activity of TAPPI shall be used for the purpose of bringing about or attempting to bring about any understanding or agreement, written or oral, formal or informal, express or implied, among competitors with regard to prices, terms or conditions of sale, distribution, volume of production, territories or customers
2. No TAPPI activity or communication shall include discussion for any purpose or in any fashion of prices or pricing methods, production quotas or other limitations on either the timing or volume of production or sale, or allocation of territories or customers.
3. No TAPPI committee or Section shall undertake any activity of which involves exchange or collection and dissemination among competitors or any information regarding prices or pricing methods.
4. No TAPPI committee or group should undertake the collection of individual firm cost data, or the dissemination or any compilation of such data, without prior approval of legal counsel provided by the Association.
5. No TAPPI activity should involve any discussion of costs, or any exchange or cost information, for the purpose or with the probably effect of
6. Increasing, maintaining or stabilizing prices; or Reducing competition in the marketplace with respect to the range or quality of products or services offered
7. No discussion of costs should be undertaken in connection with any TAPPI activity for the purpose or with the probably effect of promoting agreement among competing firms with respect to their selection of products for purchase, their choice of suppliers, or the prices they will pay for supplies.
8. Scientific papers published by TAPPI or presented in connection with TAPPI programs may refer to costs, provided such references are not accompanied by any suggestion, express or implied, to the effect that prices should be adjusted or maintained in order to reflect such costs. All papers containing cost information must be reviewed by the TAPPI legal counsel for possible antitrust implications prior to publication or presentation.
9. Authors of conference papers shall be informed of TAPPI's antitrust policy and the need to comply therewith in the preparation and presentation of their papers.
10. No TAPPI activity or communication shall include any discussion which might be construed as an attempt to prevent any person or business entity from gaining access to any market or customer for goods or services or to prevent any business entity from obtaining a supply of goods or otherwise purchasing goods or services freely in the market.
11. No person shall be unreasonably excluded from participation in any TAPPI activity, committee or Section where such exclusion may impair such persons' ability to compete effectively in the pulp and paper industry.
12. Neither TAPPI nor any committee or Section thereof shall make any effort to bring about the standardization of any product for the purpose or with the effect of preventing the manufacture or sale of any product not conforming to a specified standard.
13. No TAPPI activity or communication shall include any discussion which might be construed as an agreement or understanding to refrain from purchasing any raw material, equipment, services or other supplies from any supplier.
14. Committee chairmen shall prepare meeting agendas in advance and forward the agendas to TAPPI headquarters for review prior to their meetings. Minutes of such meetings shall not be distributed until they are reviewed for antitrust implications by TAPPI headquarters staff.
15. All members are expected to comply with these guidelines and TAPPI's antitrust policy in informal discussions at the site of a TAPPI meeting, but beyond the control of its chairman, as well as in formal TAPPI activities.
16. Any company which believes that it maybe or has been unfairly placed at a competitive disadvantage as a result of a TAPPI activity should so notify the TAPPI member responsible for the activity, who will in turn should immediately notify TAPPI headquarters. If the responsible TAPPI member does not resolve its complaint, the company should notify TAPPI headquarters directly. TAPPI headquarters are appropriate Section, Division or committee officers or chairpersons' will then review and attempt to resolve the complaint. In time critical situations the company may contact TAPPI headquarters directly.
